MOTION TO WITHDRAW NOTICE OF REMOVAL

Defendants Paul Mickle & Media Food Bank hereby requests that the Court deem withdrawn the Notice of Removal in the above matter and remand this action back to the Delaware County Court of Common Pleas. Defendants filed the instant Notice of Removal prior to the expiration of the thirty-day deadline under 28 U.S. Code §1446 to preserve any federal question and upon reflection and reconsideration realize that allowing the state court action to run its due course, Defendants may find the relief that Defendants believes they are entitled to. Accordingly, Defendants respectfully requests that this matter be remanded.

Respectfully submitted,
